The most popular elementary social studies methods text on the market, this comprehensive, stimulating introduction to social studies in elementary and middle schools presents the elements of a strong social studies curriculum, explains effective teaching methods, and presents a wealth of field-tested examples, exercises, activities, and lesson plans that bring the subject matter to life. It presents critically important ideas and sometimes-complex methods in a clear, straightforward, accessible manner, while focusing on teaching to help K-8 students develop social understanding and the ability to think and act as democratic citizens in a multicultural society. Beginning and new teachers get the understanding and tools they need to unleash their intelligence and creativity on the subject area, and see how...
