Pearson Education Limited, United Kingdom, 2009. Paperback. Book Condition: New. 210 x 138 mm. Language: English . Brand New Book. Destined to be one of the most talked about business books of the decade. Marc Silvester, Chief Technology Officer Head of Service Innovation, Fujitsu Churchill once said that we are all worms but some of us are glow worms. This readable and invaluable book teaches us how we can all glow, which means to me success at work and success at life Warren Bennis, Distinguished Professor of Business, University of Southern California and author of On Becoming a Leader Glow is a lively, entertaining, and solidly researched blueprint for career success. Gary Hamel, author of Leading the Revolution and Competing for the Future I encourage everyone to read it who wants a more meaningful life, or to help others to achieve it Hallstein Moerk, Executive Vice President, Human Resources, Nokia HOW WILL YOU STAY AHEAD OF THE CURVE? LEARN TO GLOW Some people just Glow. They radiate enthusiasm, positive energy and inspiration in their own work and they excite and ignite other people. These are the people who get to work on the exciting projects, who are always in demand, who stay ahead of the curve and create real added value in today s increasingly competitive world. Wouldn t you like to Glow too? Well, now you can! In this engagingly written and highly practical book, Lynda Gratton shows you the three core principles that will enable you to become indispensable in your job. And she gives you nine concrete actions -- that you can start today -- to help you develop the key skills, habits and choices you need to Glow. Once you re glowing, things start happening. In this beguilingly straightforward but insightful book, Lynda Gratton reveals the...
