Knopf Fall 2010 At 69, shes just two years older than Keith Richards, but to hear her tell it, Ephrons recalls far worse. Luckily some synapses are still firing: The follow-up to I Feel Bad About My Neck includes chapters on her youth and career and drily hilarious musings on the trials of aging. If we have to grow old (and as they say, consider the alternative) theres no better guide. - People Magazine (Top 10 Books of 2010) Vivid . . . Nora Ephrons newest book is titled I Remember Nothing. Ephron remembers quite a bit in this entertaining collection of stories about her life so far. . . . Ephron has been handed some good material to play with over the years and she knows what to do with it. Anyone who has grown to appreciate her witty and carefree way of telling a story will not be disappointed here. She remains the neighbor we all wish we had. Someone to share a cup of coffee with. Or better yet, a glass of wine. Maybe two. . . . [Ephron] has not lost her ability to zero in on modern lifes little mysteries, like our obsession with freshly ground pepper and bottled water. As for the essay about remembering nothing, which kicks off this delightful collection, its one that millions of aging Americans will relate to. Listen. . . . If were all headed to the old folks home, we couldnt have a better guide than Nora Ephron. - Craig Wilson, USA...
