In this holistic and interactive guide to professional development, she illustrates the seven keys to becoming an impeccable leader, including how to: Achieve heightened self-awareness to affect the way you influence Build a happiness toolbox to bring joy to yourself and those around you Care for your whole self first as a hallmark of effecting positive change Embrace your own authenticity to allow others to embrace their own Foster positive relationships in the workplace that promote greater productivity - and job satisfaction With her accessible and often humorous style - utilizing notable lessons from Nelson Mandela to SpongeBob SquarePants - Thompson reveals why truly outstanding leaders not only focus on strategy, metrics, and execution, they also tend to their bodies, minds, and spirits.
