By John Stuart MacKenzie

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Outlines of Social Philosophy This book has grown out of a short course of lectures that I was called upon to deliver at the London School of Economics and Political Science in the session 1916-17. I have adhered to the general plan of the lectures, but have expanded their substance; and the book may now be regarded as taking the place of the Introduction that was written about thirty years ago, and that has now been out of print for a long time. Its scope and plan are, however, considerably different from those of the earlier work. My object has been to provide a suitable textbook for students of the subject. It is now studied in this country by a considerable number of people, differing very widely in age and previous preparation, and also in the special aims that they have in view; and it would hardly be possible to write anything that would be quite suitable for them all. I have tried to expound the leading principles in a way that might be expected...
