

Epitome of the Economic Geology of New Mexico (Classic Reprint) (Paperback)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Epitome of the Economic Geology of New Mexico In presenting this Epitome of the Economic Geology of New Mexico, it is to be hoped that what is herein offered may be conducive to a more intelligent understanding and appreciation of the dormant mineralogical resources of a commonwealth of which, comparatively speaking, but little is known. Historically, New Mexico is the oldest and most widely known of any section in the United States; commercially, its importance is yet but meagerly comprehended. Although New Mexico is the cradle of the mining industry in the Rocky Mountains and Pacific Slope regions, peculiar political conditions have materially retarded its development. The fact, however should not be overlooked that the initial impulse received in the development of the Great West was due to the discovery of gold in Santa Fe County at the base of the Ortiz Mountains, in the year 1828. This discovery was made twenty years before the great gold excitement at Coloma in California and thirty years before the find on Cherry Creek in Colorado. The discovery of placer gold in New Mexico marks the beginning of modern American methods that have so effectually revolutionized every phase in the art of mining and in the science of metallurgy. The evolution of the old wooden bowl, known as the batea, used in these early diggings, is symbolized in the modern gold pan. Crude designs of the first rockers and sluice boxes for washing the auriferous gravels in trans-Mississippi fields, virtually had their inception in this primary gold camp, in Santa Fe County. Among the first stamp mills constructed in the United States may be mentioned the one at...
