Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: French . Brand New Book ***** Print on Demand *****.Excerpt from De l Arthrite du Genou: Et de l Epanchement Articulaire Consecutifs aux Fractures du Femur Au moment ou nous achevions ce memoire, l arthrite du genou consecutive aux fractures du femur etait encore peu connue; sa marche, ses suites et surtout ses causes n avaient ete l objet de recherches que pour un tres-petit nombre d observateurs. La publication recente de la Clinique chirurgicale de l hopital de la Charite donne a ce phenomene une valeur classique qu il ne possedait point encore. Elle nous engage a faire paraître une etude que M. le professeur Gosselin a bien voulu citer dans ses lecons. Nous avons essaye de laisser parler les faits, en nous bornant a mettre en regard les traits les plus saillants presentes par nos observations. C est ainsi que nous avons etudie le debut, les signes, la marche, les suites de l arthropathie du genou. Quant a sa pathogenie, le petit nombre d autopsies qu il nous a ete donne de pratiquer nous a reduit a en chercher l explication dans une serie d experiences; leur resultat a confirme les idees que nous avons puisees dans l etude de quelques cas d anatomie pathologique. Depuis que ce travail est termine, un grand nombre d observations nouvelles se sont presentees a notre examen. Nous les avons recueillies avec soin et nous avons pu constater quelles venaient exactement a l appui de nos conclusions. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
