Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Leadership Philosophies and Theories in Postmodern World is the first book out of seven from the The World of Business Management series, designed as a hands-on program to provide business executives with a chance to refresh and up-date their knowledge to succeed in running, managing, and operating practically any business with a little adjustment to business size and type. Discussions lead leaders and managers to deep understanding of the connection between theories and models, based on sound research, and practical implications, varied from business issues, situations, and cases, occurred in organizations quite often. Examples from real-world scenarios provide support to theoretical framework and set-up shift to new paradigm of making decision and creating solutions for improvement. Series serves as a course of professional development for administrators, managers of all levels, and leaders performed in small business (both profit and non-profit), middle-sized firms, and global corporations. Series also serves as a Capstone course for graduate students purchasing their degree in leadership and management field. The purpose of each book is to provide guidance for business leaders how to run, manage, and operate in rapidly changed world through the waves of disruptions. Students may use the book as a foundation for the literature review for the study of their choice, find the most vulnerable issue for deeper investigation within their thesis or dissertation, refresh or up-date their memory about what they learned during entire course, prepared them to become executives. Unique context provided in examples and practical implications may assist both students and executives apply strategies and initiatives used by the leaders of other organizations to handle situations and cases in their organizations. Discussions in Book 1 Part 1: Leadership...
