Christopher Aune's groundbreaking new book, *The Simple Way of Jesus*, examines the original words of the Bible as Jesus used them. When 2,000 years of religion, dogma, and doctrine are stripped away, the real meaning of the original Greek is revealed. What he finds will surprise you. Many of today's Christians are confused and turned off, but they really want to know. Is it only about going to church on Sunday and just believing? Is Bible study, prayer, and good works all there is? How do we really get to heaven? These questions and more are answered in Aune's easy-to-read prose. The most important question, however, involves The Way. How do we really get to eternal life with God in heaven? *The Simple Way of Jesus* explains step-by-step exactly how anyone can follow Jesus right into heaven, as well as the way in which the kingdom of God is arriving on Earth. But it's not what you think. Aune explains that much of modern Christians' confusion begins with long-held misinterpretations of Biblical text. The Greek word for church, for example, can be found throughout the New Testament. However, only twice can it be interpreted to mean an organization-and neither of those times comes from Jesus himself. Aune's clear and logical approach concisely separates the actual teachings and words of Jesus Christ from the rampant misinterpretations that have occurred since Jesus' birth. Aune illuminates The Way to the kingdom of God and eternal life so that everyone can understand, clarifying many issues that plague today's Christians. Much of the book's backdrop is Jesus' two-step approach...
