

## Zimbabwe: Malaria Operational Plan Fy 2014 (Paperback)

Filesize: 7.54 MB

### ***Reviews***

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Malaria prevention and control are major foreign assistance objectives of the U.S. Government (USG). In May 2009, President Barack Obama announced the Global Health Initiative (GHI), a six year, comprehensive effort to reduce the burden of disease and promote healthy communities and families around the world. Through the GHI, the United States will help partner countries improve health outcomes, with a particular focus on improving the health of women, newborns, and children. The President s Malaria Initiative (PMI) is a core component of the GHI, along with HIV/AIDS and tuberculosis programs. PMI was launched in June 2005 as a five year, \$1.2 billion initiative to rapidly scale up malaria prevention and treatment interventions and reduce malaria-related mortality by 50 in 15 high-burden countries in sub-Saharan Africa by 2010. With passage of the 2008 Lantos-Hyde Act, funding for PMI was extended and, as part of the GHI, the goal of PMI was adjusted to reduce malaria-related mortality by 70 in the original 15 countries by the end of 2015. In mid-2011, Zimbabwe s selection as a PMI country was announced. Malaria is a major health problem in Zimbabwe with 50 of the population at risk, although its epidemiology varies in the different regions of the country, ranging from year-round transmission in the lowland areas to epidemic-prone areas in the highlands. Zimbabwe s National Strategic Plan does not call for the implementation of all interventions in all malarious districts; hence the targeted number of districts varies by intervention, as detailed below. Zimbabwe s malaria program receives support from two major donors, the Global Fund and PMI. United States Agency for International Development (USAID) provided targeted support to Zimbabwe s National...
