Taylor Francis Ltd, United Kingdom, 2002. Paperback. Book Condition: New. 294 x 218 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Professional poets spend many hours crafting a finished piece of work, yet we expect children in school to sit down and write when they are told to, whether they feel inspired or not. This series of four books is a toolkit to help you build a positive framework for children to read, write, understand and enjoy poetry - to bring a creative spark to the poetry classroom. A combination of featured poems, creative ideas, structured lesson plans and differentiated photocopiable activity sheets gives the series a uniquely flexible approach - which means you can use the materials in any classroom context. If you re wary of poetry, if you think it s boring, or if you re nervous about teaching poetry, then you ve chosen the right book. Key themes covered in **BOOK 4: Language and Performance** are moods and feelings through the use of effective language; nonsense and humorous verse; the continuity and links between ancient and modern, between nursery and playground rhymes and Shakespeare; whatever our ability, there is a place for everyone on the poetry ladder ; and performance poetry. Other books in the series are: **BOOK 1: Words and Wordplay**; **BOOK 2: Rhymes, Rhythms and Rattles**; and **BOOK 3: Style, Shape and Structure**.
