

Building Better Credit Unions

By Peter Goth, Donal G. McKillop, Charles Ferguson

Policy Press. Paperback. Book Condition: new. BRAND NEW, Building Better Credit Unions, Peter Goth, Donal G. McKillop, Charles Ferguson, In the UK, there is increasing acceptance that credit unions have a potentially important role to play in the provision of affordable credit to all sections of society, including those facing financial exclusion. Against this backdrop, this study seeks to identify current patterns of credit union development, quantify the performance of credit unions and isolate those factors which make some credit unions more successful than others. The study considers the financial profile of the UK credit union movement, examining the relative performance of credit unions for the UK both as a whole and separately for Northern Ireland, Scotland, England and Wales. It also uses case studies to explore key trends within the sector, including consideration of recently established 'fast growth' credit unions, which have received significant levels of support from their local authorities, as well as a number of merging credit unions. "Building Better Credit Unions": provides descriptive statistics that contextualise the UK credit union movement; outlines the differences in the profile of credit union penetration within the main UK regions; considers recent legislative amendments; investigates why some credit unions perform...
